

Registration for the
Gray's Reef Southeast Regional MATE ROV Competition is now open!

The competition will be held Saturday, April 25th, 2009
from 9AM to 5PM at the Chatham County Aquatic Center
located at 7240 Sallie Mood Drive in Savannah, Georgia.

To register your team, please visit the MATE Center website at
http://www.marinetech.org/rov_competition/2009/registration_start.php

**Due to the high number of teams expected to register, we are accepting only
one team from each school.**

Upon approval from MATE for your team to enter the regional, you will begin
receiving updates about the competition both from me and the MATE Center.
Don't worry though; I won't duplicate those from the MATE Center. I don't
want to clog your inbox!

I hope to see you and your team in Savannah at the
Gray's Reef Southeast Regional MATE ROV Competition!

Happy ROVing!
Cathy
